

The Transportation Industry Needs YOU!

JOIN THE TRANSPORTATION WORKFORCE DEVELOPMENT (TWD) PROGRAM

The TWD Program is seeking high school and college students across Alabama who are interested in paid internships and hands-on field experience within the transportation industry. We welcome applicants from a wide range of majors and academic programs. All students are encouraged to apply.

WHO WE ARE

The TWD Program is dedicated to connecting high school and college students with paid internships and valuable field experience at the Alabama Department of Transportation (ALDOT).

WHAT WE DO

We actively seek talented high school and college students from across Alabama who are interested in transportation-related fields. We consider a wide range of majors and academic programs to meet the diverse needs of ALDOT.

NEXT STEPS

To apply, simply complete an application to be considered for the program. If selected, we will match you with an internship opportunity at a local ALDOT site that aligns with your skills and interests. We encourage all high school seniors and college students in Alabama to apply and take the next step toward shaping the future of transportation.
