HORNETS, REMEMBER TO WASH YOUR HANDS!

SING THE ASU FIGHT SONG TO HELP YOU WASH FOR AT LEAST TWENTY SECONDS!

1. Alabama! Alabama!
2. Hail, hail, hail, hail
3. college so dear
4. Alabama, Alabama!
5. ‘tis for you we’ll cheer
6. All hail the men
7. who fight on the field
8. All hail your glory
9. that can’t be repealed;
10. So hail, hail, hail Alabama!
11. Hail, hail, hail!
12. Go Hornets!

Stay Aware. Stay Safe. Stay #HornetStrong.
This guide will be updated as we monitor data and information related to the COVID-19 pandemic.
We will continue to keep the campus family and ASU stakeholders informed as developments occur.
FOR YOUR SAFETY AND THE SAFETY OF OTHERS...

Have your temperature checked and recorded at the central check-in station before entering your building. South Jackson in front of Councill Hall

Cover your sneeze (or cough) with a sleeve

Wash your hands thoroughly and frequently or use hand sanitizer

IT’S THE HORNET WAY!

Disinfect your work areas and equipment frequently

Wear a mask...
- In all common areas, including hallways, elevators, stairwells, bathrooms, open work areas and closely confined work spaces such as open cubicles
- For any face-to-face encounters (including meetings in large spaces)
- When walking across campus

Do not use coworkers' phones, desks, computers or other equipment (when possible)

Practice social distancing at all times

Avoid personal contact such as handshakes and friendly hugs

If you have COVID-19 related symptoms...
Employees should stay at home and students should contact the Health Center

This guide will be updated as we monitor data and information related to the COVID-19 pandemic. We will continue to keep the campus family and ASU stakeholders informed as developments occur.
STOP THE SPREAD OF GERMS AT ASU

REMEMBER TO WEAR A MASK

COVER YOUR MOUTH AND NOSE WHEN YOU SNEEZE OR COUGH. Cough or sneeze into a tissue and then throw it away; use your arm or sleeve to cover if you do not have a tissue.

CLEAN YOUR HANDS OFTEN.
Wash your hands with soap and water, vigorously rubbing together back and front for 20 seconds. Or use alcohol-based hand sanitizers, rubbing hands until they are dry.

CLEAN SHARED SURFACES AND EQUIPMENT OFTEN. Use disinfectants to clean commonly touched items such as doorknobs, faucet handles, copy machines, coffee pot handles, desktops, handrails, microwave buttons, keyboards and elevator buttons. Germs travel fast with multiple hands touching shared surfaces.

AVOID TOUCHING YOUR EYES, NOSE OR MOUTH. Germs need an entry point, and the average adult touches his or her face every three or four minutes. Keep hand sanitizer at your desk to use after meetings or before grabbing one of those doughnuts from the breakroom.

STAY HOME IF YOU HAVE COVID-19 RELATED SYMPTOMS AND CHECK WITH A HEALTH CARE PROVIDER WHEN NEEDED. If you are symptomatic, stay home, get plenty of rest and check with a health care provider as needed. For a list of COVID-19 symptoms, visit the CDC website.
