Campus Services

>>> Mail Services
Social distancing, strategic queuing and a comprehensive communications plan are being developed to ensure efficient operations. Receiving of mail and packages will continue through safe and proper hygienic practices. Vendors will be required to remain outside the building, wear masks and maintain social distancing.

>>> Copy Center
Pickup and delivery will be managed by adhering to social distancing guidelines. Faculty and staff are encouraged to continue using the request portal www.alasu.edu/faculty-staff/technology-services/copy-exchange/copy-exchange-request-form

>>> Camps and Programs
Camps and programs are being modified with limited access and virtual options. Contact Campus Camps at (334) 229-8487 or email at campuscampus@alasu.edu.

>>> Food Service Operations
Residential dining will implement new health and safety protocols for all dining establishments, including observing social distancing guidelines, decreasing capacity in locations, re-imaging serving stations, removing self-service items and increasing to-go meal options. Cashiers will count students’ entrances and exits to ensure occupancy levels are not exceeded. ASU’s current food service provider, Aramark, is developing a cashless option to eliminate cash handling. Students, faculty and staff will be encouraged to utilize to-go meal options.

>>> Ticket Operations
While the ticket office continues to maintain business hours, a comprehensive communications plan for ticket operations is being developed to ensure efficient operations. The ticket office will continue to encourage season ticket holders to renew online or over the phone. In addition, renewal-by-appointment options are being developed.

>>> Bookstore
The University’s bookstore will follow COVID-19 procedures that are aligned with the campus reopening guidelines and are applicable to all customers and vendors. Visit the bookstore website for details at www.bkstr.com/alabamastatestore/home.

Stay Aware. Stay Safe. Stay #HornetStrong.
This guide will be updated as we monitor data and information related to the COVID-19 pandemic. We will continue to keep the campus family and ASU stakeholders informed as developments occur.
Department of Public Safety

Access to Human Resources Services
Telehealth services are available to ASU employees and their families through Blue Cross Blue Shield (BCBS). Employees should check with their in-network provider to see if they participate in Telehealth. To locate a current listing of in-network providers, login to myBlueCross and visit FindADoctor. Telehealth services:

- Give employees the option to receive care remotely in order to limit their exposure to COVID-19 and other illnesses;
- Serve as an initial screening when one needs testing for COVID-19;
- Provide consultations and visits rendered by in-network providers for low complexity or routine health conditions; and
- Provide ongoing health evaluations and care management based on the in-network provider’s medical judgment.

Employee Assistance Program
ASU’s employee assistance program (EAP) is provided by Integrated Behavioral Health. The EAP assists employees with personal problems and/or work-related problems that may impact their job performance, health, or mental and emotional well-being. EAP provides confidential counseling in a number of areas, including anxiety and depression; divorce and separation; drugs and alcohol; grief and loss; and legal and financial.
