

OFFICE OF INSTITUTIONAL RESEARCH ALABAMA STATE UNIVERSITY

Alabama State University (ASU) began in 1867 as Lincoln Normal School, a private school for Negroes located in Marion, Alabama. In 1878, William Burns Paterson was named President. President Paterson is revered as “founder” of Alabama State University. Today, ASU has nine major units: University College, College of Arts and Sciences, college of Health Sciences, College of Business Administration, college of Education, the School of Music, the School of Graduate Studies, Continuing Education and the Division of Aerospace Studies. The academic offerings range from the baccalaureate to the education specialist degree. The physical plant is approximately 156.4 acres and is valued at more than \$150 million. The faculty has grown from three to over 300. The university has conferred some 100 associate degrees, 28,241 baccalaureate degrees and 8,479 graduate degrees through spring 2005. Since Alabama State University’s founding, more than 43,095 persons have earned degrees (includes high school diplomas and certificates from the university). Dr. Joe A. Lee serves as president, having begun his tenure September 2001.
