

ALABAMA STATE UNIVERSITY REHABILITATION SERVICES APPLICATION CHECKLIST

Admission to the Undergraduate Rehabilitation Services Program is contingent on admission to Alabama State University. Eligible candidates for the Rehabilitation Services are required to submit all necessary materials at the time of their application. Failure to comply with this requirement can cause significant delays in the screening of your application. Below is a checklist for materials required for selection process for the Rehabilitation Services Program. It is the responsibility of applicants to ensure that required documents are received in a timely manner by the office of Rehabilitation Services.

_____ G.P.A. Requirement: A minimum GPA of 2.5 or higher must be obtained prior to applying to the Rehabilitation Service program.

_____ Application: Applications for admission to Alabama State University can be completed via www.alasu.edu; however, a separate Rehabilitation Services departmental application must be completed, signed, and sent to the address listed below.

_____ Unofficial Transcripts: If you are an ASU student, you can visit Hornetweb and print a copy of your unofficial transcript to submit with your application. For other applicants, you will need to complete and submit an ASU Undergraduate Application for Admission which will require an official transcript from your institution; however, if you can retrieve an unofficial copy of your transcript we will accept with your application.

_____ Letters of Recommendation Forms (Originals): Completion of the two Letters of Recommendation Forms located in the application packet are required. One recommendation form should be completed by a high school, college, or university instructor. The second recommendation form should be completed by a guidance counselor, academic advisor, or recent employer, excluding relatives, who can evaluate your academic abilities and/or character. These forms can be sent separately from the application materials.
