

Are you looking for the perfect major at ASU that will lead you to the career of your dreams?

Then look no further!

The **Academic Center for Educational Success** is excited to introduce the **Focus2Career** assessment for students who need guidance with choosing/switching\* a major or are currently satisfied with their major but want to know more about what to do with the major. To access the **Focus2Career** login site, simply scan the QR code below using your smartphone, or if viewing this flyer from an email, click the following link: <https://tinyurl.com/fg3xt6gw>. Once there, complete the registration (your Student ID and ASU email address are required) and use Access Code: **aceshornets**.

The assessment has several mini-assessments to help you discover your academic strengths, work interests, and career planning readiness. You are encouraged to do all assessments. However, to explore majors that match your work interests, take the **Work Interest Assessment** and it will match you to the majors at ASU as well as the clusters of career fields. Be sure to **SAVE your preferred Major on the assessment**. For more info, follow the video below for a quick tutorial.

If you need to change majors please complete the Change of Major by <https://alasu-977467.workflowcloud.com/forms/0a5b355b-a484-4b3a-9dd0-872edadc4559>

\*Students who are upperclassmen and have completed courses in their major need to consult with their Academic Advisor before deciding to switch majors.
