# MISSION

MENTORSHIP, INTEGRATION OF  
STUDENTS IN SCIENTIFIC INTERACTION,  
ORGANIZATION AND NETWORKING

# ASU

ALABAMA STATE  
UNIVERSITY

[www.alasu.edu](http://www.alasu.edu)

**Get ready for an exciting year that allows you to expand your knowledge in science, enhance your research skills in state-of-the-art laboratories and diversify your peer and mentor network! This program is designed for students who are part of underrepresented groups entering their freshman year.**

- Receive quality mentorship.
- Learn state of the art scientific and research skills.
- Improve time management and organization skills.
- Build scientific and peer network.

### **Research Areas and Research Skill Development**

- Learn about cancer, cancer prevention and cancer treatment.
- Learn about molecular biology and its applications.
- Learn about developmental psychology.
- Learn about biomedical engineering.
- Learn about distance learning technologies.
- Develop critical thinking skills and learn to work in a collaborative environment.

**The deadline for applications is September 15.**

#### **Who can apply?**

Freshmen students pursuing STEM and behavioral science degrees. There is no charge for this program.

#### **Is there compensation?**

Yes. Monetary compensation ranges from \$50-\$175.
